

New UK Distributor for Standard MIL COTS products

Torrance, Calif., July 2010 – Martek Power is pleased to announce the appointment of Air and Marine Products Ltd., as the United Kingdom distributor for our MIL COTS product line. Air and Marine Products Ltd is a rapidly growing distributor of electromechanical components in the UK defense and aerospace market. Our common applications and complimentary products lines will forge a beneficial partnership and a stronger supplier for our customers.

You can meet both Martek Power and Air and Marine Products Ltd at Farnborough from 19th to 25th July, 2010, Hall 3 – Stand C14.

About Martek Power

Martek Power is a world leader in the design and manufacture of standard, modified-standard, and custom power supplies and power converters that operate in linear or switching modes. With design and manufacturing centers in Europe, North America, North Africa, and Asia, and now Mainland China, Martek Power is uniquely qualified to satisfy customers in worldwide power supply markets with local technical and customer service support. The company has over 45 years' experience supporting OEMs to engage in medical, networking, telecom, data storage, transportation, computing, aerospace, military, instrumentation, and other industrial applications. They also own two major global providers of test and measurement equipment and calibration and maintenance services - Sefelec in Germany and Semelec in France.
